FRANKLIN'S: Who, What, Where and When

Franklin's is owned and operated by Proctor residents Frank and Karen Beyette. We want to have a gathering place that everyone will be comfortable coming into for good food, a relaxed atmosphere, games and entertainment for fun times. That is why our motto is "Food, Friends and Fun". All of our food choices are available for eat in or take out. We also take all major credit cards.

We are in the midst of putting on an addition to the restaurant that will house our new game room, including the pool table, dart board, large screen television with Wii games and arcade machine. This will give us the opportunity to start dart, pool, bowling and golf tournaments. We also have an enlarged dining area that will allow us to start serving Prime Rib and other specials on Saturdays when our addition is completed. We will have Karoke on the first Saturday of every month and are looking for local singers/guitar players that will allow us to showcase local talent on Saturday evenings. We are available for parties, just call ahead of time.

So come on in, sit with our neighbors and yours and enjoy what Franklin's has to offer. We are Wi Fi accessible so if you want to come in and sit by yourself with your computer, we can offer that as well.
