

## **Road Commissioner's Report for the Proctor Highway Department**

Presented: December 27, 2010

### **Accomplishment Highlights:**

- Installed a "See attendant for access to brush/burn pile" sign at the transfer station. Also installed 2 posts to hold gate open at the burn pile.
- Received a load of logs from Tom Grace.
- Removed disposed television sets and tires from West Road and Gorham Bridge Road.
- Have stockpiled sand **in front** of the town garage for public use.
- Researched street sign regulations, please see attached.
- Placed 3 boulders in front of the access gate at the end of Chatterton Park Extension per OMYA request.
- See attached job logs for December 6, 2010 – December 12, 2010 & December 13, 2010 – December 19, 2010.

### **In Progress:**

- Stacking wood to fill up wood storage canopy at Town Garage.
- Winter operations.
- ROW hazard tree removal.
- Culvert/retaining wall inventory – in progress, plan to finish up in fall/winter.

### **Needed:**

- Plan for salt shed.
